Charlotte makes Census Bureau's list of high-growth cities

Charlotte Business Journal

Date: Friday, June 29, 2012, 6:34am EDT

[The latest population estimates](#) from the **U.S. Census Bureau** show that Charlotte is among the nation's fastest-growing cities.

The Queen City added 19,663 residents from April 1, 2010, to July 1, 2011, placing ninth in terms of numerical growth in population.

Meanwhile, Raleigh and Cary placed 10th and ninth, respectively, in the report's ranking of cities with the highest population growth.
